# Automation Technology - Voltage and Power Supply

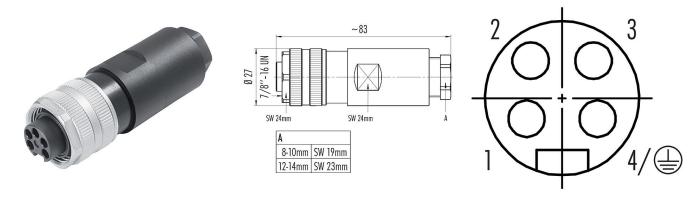

7/8" Female cable connector, Contacts: 3+PE, 8.0-10.0 mm, unshielded, screw clamp, IP67, UL, VDE Product description

Area Part no. 7/8" series 820 99 2442 21 04

#### Illustration

## **Scale drawing**

## Contact arrangement (Plug-in side)

You can find the component part drawing and assembly instructions on the next page.

#### **Technical data**

#### General features

| Part no.                  | 99 2442 21 04                      |
|---------------------------|------------------------------------|
| Connector design          | Female cable connector             |
| Version                   | Connector socket straight          |
| Connector locking system  | screw                              |
| Termination               | screw clamp                        |
| Degree of protection      | IP67                               |
| Cross-sectional area      | max. 1.50 mm <sup>2</sup> / AWG 16 |
| Cable outlet              | 8.0-10.0 mm                        |
| Temperature range from/to | -25 °C / 85 °C                     |
| Mechanical operation      | > 50 Mating cycles                 |
| Weight (g)                | 51.72                              |
| Customs tariff number     | 85369010                           |

#### **Electrical parameters**

| Rated voltage             | 300 V (600 V UL) |
|---------------------------|------------------|
| Rated impulse voltage     | 4000 V           |
| Rated current (40 °C)     | 9.0 A            |
| Insulation resistance     | ≥ 10¹\( \Omega\) |
| Pollution degree          | 3                |
| Overvoltage category      | III              |
| Insulating material group | III              |
| EMC compliance            | unshielded       |

#### Material

| Housing material | PBT |
|------------------|-----|

## Automation Technology - Voltage and Power Supply

Product description 7/8" Female cable connector, Contacts: 3+PE, 8.0-10.0 mm, unshielded, screw clamp, IP67, UL, VDE

Area **7/8" series 820** Part no. **99 2442 21 04** 

Contact body material PUR/PA

Contact material CuZn (brass) / CuSn (bronze)

Contact plating Au (gold)

Locking material Zinc die-cast nickel-plated REACH SVHC CAS 7439-92-1 (Lead)

SCIP number 2f2917ad-59e4-4f32-9417-9b89c5aa5fb6

Authorization/approvals

Approvals UL, VDE

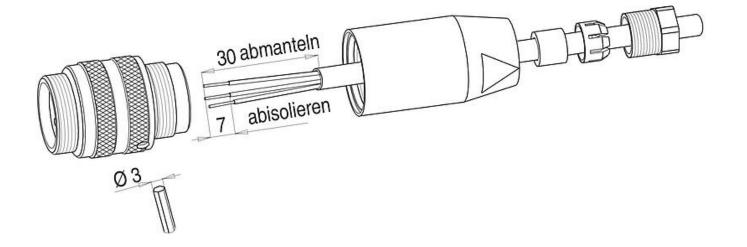

Classifications

eCl@ss 11.1 27-44-01-02 ETIM 7.0 EC002635

Declarations of conformity

Low Voltage Directive 2014/35/EU (EN 60204-1:2018;EN 60529:1991)

#### **General Disclaim Notice**

The connector must not be plugged or unplugged under load. Non-observance and improper use can result in personal injury.

The connectors have been developed for applications in plant engineering, control and electrical equipment construction. The user is responsible for checking whether the connectors can also be used in other areas of application.

Connectors which are used in circuits with voltages dangerous to the touch may only be installed and used by, or under the supervision of, persons with electrical engineering training, taking into account the applicable regulations and standards.

Plug connectors with enclosure protection IP67 and IP68 are not suitable for use under water. When used outdoors, the plug connectors must be protected separately against corrosion. For further information on the IP protection classes, please refer to the "Technical Information" download centre.

To lock the cable connector with the device connector, the threaded ring is tightened "hand-tight" (approx. 50 cNm).
